

What's to Love About the First Congregational Church of Sutton?

The beautiful light the stained glass windows cast in the sanctuary.

A History with Style

Nearly 300 years old, our church has so many remarkable historical stories, memories, landmarks, and traditions— everyone must come and see for themselves.

The Children's Message

Different every week— Touching and hilarious, hearing some of the children's responses. Deb and the kids are a big part of worship.

The Best Bakery in Town!

After-worship treats downstairs leave everyone smiling. Be it coffee, juice, fruit, or delicious bakery items— you always leave feeling good!

Our Deacons and Lay Leaders

Whether they're bringing a child along to light the candles, starting service, reading scriptures, or helping with communion, they bring so much reverence, humor, and warmth to worship.

Assigned Seating

Hey, who knows why folks sit in the same place each Sunday? But it's great to see all the faces each week no matter the seat!

The People

Every week—kids, teens, adults all come to enjoy worship. Smiley people, caring people— good people. All there to enjoy, serve, love, and honor God and each other.

Erik and the Choir

What would the church and worship be without music? The FCCS "green team" is truly something special.

Community at its Best

This is a community church— with a steeple raised high in the center of Sutton. People gather with love, prayer, and support of a growing and phenomenal community.

Pastor Earl's "Green Love Bug"

Great new minister with great new messages... and a car everyone needs to see!

Won't you join us? If you're already a member please continue to support us. Our growth and future is looking amazing and we rely on your involvement. If you are new to the church, please give us a try— we think you'll be pleasantly surprised!
